**Re: Joint Application of Delta Air Lines, Inc., Korean Air Lines Co.,
Ltd., Société Air France, Alitalia-Linee Aeree Italiane-S.p.A.,
and Czech Airlines; Docket OST-02-11842**

Dear Ms. Beard:

Korean Air Lines has today filed its corporate documents, along with a Motion for Confidential Treatment. Counsel for Air France, Alitalia and CSA have advised us that they have no further documents responsive to the production description contained in Exhibit JA-14 of the Joint Application. Those carriers incorporate by reference the Agreements submitted by Delta and their own prior document productions in Docket OST-01-10429. Accordingly, Delta and the other Joint Applicants request that the record be deemed complete.

Sincerely,

/s/

Robert E. Cohn
Alexander Van der Bellen
Counsel for Delta Air Lines, Inc.
